Thank you to everyone who was able to join the AGM Zoom meeting, it's great to see how much money has been raised over the past year and where the donations have been helping our school. The minutes and full report have been distributed on Classlist for you to view, please do take the time to read through them to see how your fundraising support has benefitted our school

During the meeting, the new FROGS committee was appointed and it was great to see some of the existing members keen to re-stand for a further year, as well as many new parents looking to get involved.

Classlist Please Sign Up!

Classlist is the online system/app parents and FROGS & Class Reps use to share school news, information and reminders.

Please log in & sign up if you haven't done so already (classlist.com) so not to miss out. It's also useful to pop a photo on there so other parents recognise you.
