Tuesday 27<sup>th</sup> November

Dear Parents and Carers,

I am writing to give you an update on our site security. As a direct response to comments made on our recent parent questionnaire and feedback from staff I have had a gate installed at the entrance to the school playground.

The purpose of the gate is to present as a visual and physical barrier for the children on site and for visitors entering the site. The gate will be open at 8.40am for parents and children to enter the site. As you are aware the bell rings at 8.50am when the school day begins. The gate will remain open until 9.00am. Any children arriving after 9.00am will need to be accompanied by an adult to the school office where they will be signed in before heading to class.

At the end of the day the gate will open at 2.50pm for parents and carers to collect the children. In the interest of safeguarding, the main gate will continue to remain closed during the school day. We are grateful to James White fencing for mending our main gate during this installation so that it is easier to open.

Thank you for your ongoing support

Yours sincerely

Miss S Vittle
