

Our Weekly Bulletin

Friday 4th September 2025

Let all that you do be done in Love

Welcome back! We hope all the children had an enjoyable summer break. There are a few key communications we wanted to get across to you for the start of the new year.

New Website

Our new website will be launching very soon! There will be some additional sections which we hope parents will find useful including individual class page sections where you will be able to see what your children are learning as well as more regular updates from the class teachers.

Weekly Bulletin	Monthly / Half Termly Newsletter	Communication via Arbor (School Emails and Messages)
<p>This will replace our weekly newsletter and will be there to give key reminders and dates to parents. It will also include children who have been mentioned in the Bee Book.</p>	<p>This will be our official newsletter showcasing all the events from each half term.</p>	<p>Day-to-day information and messages will be sent via this app. We are aiming to consolidate as many of our communications to just Fridays where possible.</p>

PE Kits

Some parents have asked whether the children are able to wear the new colour PE kit this year. Whilst Skoolkit are unable to provide the new royal blue colour until after January, we are very happy for parents to purchase a non-branded royal blue top for PE now if your child has grown out of their old one.

PE Timetable

Beekeeper Class (Year 6)	Wednesday and Friday
Pollinator Class (Year 5)	Tuesday and Friday
Honeycomb Class (Year 4)	Wednesday and Thursday
Nectar Class (Year 3)	Monday and Thursday
Carpenter Bee Class Year 2)	Thursday and Friday
Honeybee Class (Year 1)	Monday and Thursday

Please ensure your child has their full PE kit in school on these days.

Meet the Teacher Event

On **Monday 15th September**, we will be opening our classrooms after school for you to come and informally meet your new child's teacher. Information about curriculum, homework and general updates will be sent to parents next week so if you have any questions, you can then ask the teaching team.

Parking

A reminder that parents should be using the village hall car park for both drop off and pick up. Please be considerate of our neighbours and do not block driveways or access points. Children in Years 5 and 6 are able to walk to and from school unaccompanied if you give signed permission. Forms for this are available from Mrs Howling.

Trips

In an effort to support parents with financial planning, we have agreed this year's school trips and uploaded them into Scopay. This will enable us to ensure we have received enough payments in good time for the trip to go ahead, or to make any cancellations if necessary, although this is not something that we want to do! Please take a look at the diary dates on the next page for details. Full details will be sent out closer to each trip.

Collective Worship

In worship this week, the children were able to reflect on new beginnings. The start of a new academic year gives us all the opportunity to start anew and set ourselves new learning goals. The children were also introduced to our new school values of Love, Courage and Community and will be thinking about what each of these means during our Collective Worship time. This week, they thought about Love and how love underpins all that we do. They were encouraged to support each other both at school and at home.

Diary Dates 2025
