

Bumblebee Class Newsletter

Monday 10th – Friday 14th November 2025

Dear Parents,

Maths

This week in maths, we have focused on the number five. In partners during our carpet inputs, we have practised sharing our ideas and working together to find different ways to make the number five. We are really pleased with the progress the children are making with their counting skills. Well done to Bumblebees!

History

This week we completed our learning on Remembrance Day and the children have produced some very thoughtful artwork to remember our soldiers.

On Tuesday, all the children completed a two-minute silence in class and were so respectful and quiet throughout. To support our Bumblebees, we watched a two-minute animation created by CBeebies for young children.

Art

This afternoon, we practised colour mixing. We learnt about the three **primary colours**; blue, red and yellow and explored what happened when we mixed them together. We applied this knowledge when painting our own colour wheels.

Non-School Uniform Day – Next Friday 21st November

There will be a non-school uniform day on Friday 21st November in exchange for hamper prizes. We are inviting children to bring in donations of chocolates, savoury snacks, candles, cosmetics and alcoholic beverages that can be combined to make a range of Christmas hampers. Each class will have a colour theme for their hamper. (please refer to school bulletin for ideas).

EYFS - Bumblebees – Gold

Key Dates for Next Week

Monday 17th November

- Library Day – Please make sure your child's library book is in their book bag, ready to exchange.
- Outdoor Learning

Tuesday 18th November

- PE with Miss Fisher-Smith

Friday 21st November

- Non-School uniform day, in exchange for a **Gold item** for a Christmas hamper

Have a lovely weekend.

Kind regards,

Miss Fisher-Smith
