He has made amazing progress.</i></p> <p><i>William and Sophia – for amazing observational drawings of some of our local birds.</i></p>		

Watching Our Speed

Please reflect on how fast you are driving through the village. We do not have a separate path and there have been several near-misses recently.

Chess Club

We have a new Chess & Board Games Club starting after half term. A great opportunity for children to build problem solving skills, confidence and teamwork, whilst having fun!

The club will be open to children in Years 4-6.

Ideally for those with some experience of chess but beginners with potential are welcome.

Date: Tuesday 24th February - 24th March 2026 (inclusive)

Time: 3.30pm - 4.30pm

Price: £20 per child for 5 weeks

The course of 5 lessons will be hosted by our fabulous library volunteer Quinn. Please email the school office to register your child's interest.

Instrumental Lessons

If you would like your child to have guitar lessons at school, please do let the school office know. We are in the process of trying to get a second guitar teacher if we have sufficient interest.

If you are interested in your child learning the clarinet, saxophone or flute here at school, please find details on the poster at the end of the bulletin. This would be for Years 2 to 6.

Birthday Donations

Thank you to Rosie R, William BM and Ronnie Upton for the birthday book donations. These are now available in the school library.

Cross Country

Please see the flyer below for details of a cross country event taking place at Perins next week!

Collective Worship

In Worship this week we have been exploring The Early Church (Acts 2:42-47). The Early Church shows us that church is not just a building – it's people caring for each other. The first Christians supported one another like a big family: they prayed together, learned together, and helped anyone who was in need. Their kindness and unity showed others what God's love looked like.
