

# Bumblebee Class Newsletter

Monday 2<sup>nd</sup> – Friday 6<sup>th</sup> March 2026

Dear Parents,

We have had an amazing week of learning here in Bumblebee Class and we have all enjoyed the wonderful sunshine too.

## Maths

This week, we have been exploring addition to ten using ten frames and counting bears. We have practised using the language of 'more than' and 'less than', as well as counting beyond twenty. Excellent number work this week Bumblebees – keep it up!

## A Visit to St. Peter's Church

Yesterday afternoon, we visited Reverend Amber at St. Peter's Church. In RE we have been learning about belonging and special clothes. In recent weeks, we have been talking about how we belong to Ropley CE Primary School, we belong to Bumblebee Class, our families and a range of clubs. We have been thinking about different uniforms we may have to wear that are special to our clubs and school. Reverend Amber kindly showed us her vestments and the vestry where she stores them all. We really liked the colours of Reverend Amber's scarves and noticed how all of them had beautiful crosses and patterns sewn into them. Thank you, Reverend Amber, we look forward to seeing you at the Easter church service. We finished our visit with a couple of songs and a bible story about Palm Sunday, in preparation for our Easter learning.

## World Book Day

We had an amazing World Book Day yesterday and all the children looked fabulous! We designed our own book characters, wrote about our favourite stories and shared many books together too. In the morning, each group had a turn at finding eight 'Evil Mr Peas' who were hiding in our outside area.

## Upcoming Dates

On **Friday 27<sup>th</sup> March** (last day of spring term), Bumblebee Class will be joining the rest of the school at our Easter Church service. This will be held at St. Peter's Church at **9:30am** with Reverend Amber and Mr Mills.

## Outdoor Learning

In our Outdoor Learning on Monday afternoon, we looked for signs of spring and saw many. Bumblebees planted cress seeds and we are looking forward to watching them grow over the next couple of weeks.

## Teacher Training Students

Next week we will be welcoming two Teacher Training students from a local university to Bumblebee Class. Their names are Miss Dodd and Miss Carey and they will be with us for several weeks. We look forward to meeting them both on Monday.

## Key dates for next week

### **Monday 9<sup>th</sup> March 2026**

- Library Day
- Outdoor Learning
- Reading Books changed

### **Tuesday 10<sup>th</sup> March 2026**

- PE with Miss Fisher-Smith

Have a lovely weekend.

Kind regards,

Miss Fisher-Smith  
Bumblebee Class Teacher
