Monday 23<sup>rd</sup> – Friday 27<sup>th</sup> March 2026

Dear Parents,

## RE – Easter

For the last couple of weeks, we have been learning about the Easter story and why it is such an important festival for Christians across the world. We have read the story many times, acting out different parts. When we were learning about Palm Sunday, we made our own palm leaves and acted out the parade to welcome Jesus to Jerusalem. We learnt a song to help us, which we really enjoyed singing. The song is called Hosanna (jumping up and down) and is perfect for our Early Years children.

Yesterday, we explored different ways Easter is celebrated, which include going to an Easter church service, Easter egg hunts and eating hot cross buns. In our mud kitchen, we used different resources to make our own hot cross buns, before making our own egg hunts in our outside area.

## Beekeeper Buddies

On Monday afternoon, our Beekeeper Buddies joined us for an egg hunt on the field. I hid different patterned eggs around the field and they had to find the matching half. It was wonderful to see them all helping each other out and working together.

On Wednesday afternoon, we were very lucky to be invited to a Beekeeper class performance of 'You are my Sunshine'. They have been practising to play this song on the ukulele this half term and were eager to show our Bumblebees – we really enjoyed the song. Thank you, Beekeepers!

## Hen Eggs

Over the weekend, four beautiful, cute and fluffy chicks hatched. We were so excited and enjoyed having our new additions in class at the beginning of the week. Please look in your child's book bag, as I printed off photos of them with our little chicks. I will also be adding some photos to the website too.

## PE Kits

On Tuesday your child came home in their PE kits, so they could be washed over the Easter break, ready for the summer term. Please could you check your child has a pair of PE socks in their PE bags. Several children do not have any. Thank you.
