

Tuesday 5th May 2026

Dear Parents/Carers,

Year 5 Geography Trip: Isle of Wight

As part of our geography learning, Year 5 will be taking part in a very exciting visit to both Southsea and the Isle of Wight! This visit will take place on Tuesday 30th June 2026.

The children will be travelling by coach to Southsea; from there the children will board the hover craft and will travel over to Ryde on the Isle of Wight. We will have lunch on the beach before visiting the swimming pool. We are fortunate to have the swimming pool hired out exclusively to the school so not only can the children undertake research but they will also have a 30-minute session booked for playing in the water.

The children will need a rucksack for the day. Children need to bring in a packed lunch and a water bottle. Swimming costume and a towel will also be required.

The children will need to wear school uniform but should wear trainers instead of school shoes.

A contribution of £28.00 is requested to contribute towards the cost of the visit. Please ensure this is paid no later than Tuesday 2nd June 2026 in order for us to finalise our arrangements. As a school we have heavily subsidised the cost to parents as we believe this is a fantastic experience for the children. If insufficient contributions are received, the visit may have to be cancelled. Payment should be made via Scopay.

If there are changes to your contact details or your child's medical information, please make the school office aware.

Kind regards,

Dr Stuart
Class Teacher
