Sport Premium Funding Impact

In considering the impact of the Sport Premium funding, we look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increased participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. Records are kept of the numbers of pupils involved in sporting activities both inside and outside of school.

Vision:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools:

Success Criteria

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
2. The profile of PE and sport (PESSPA) being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

3. increased confidence, knowledge and skills of all staff in teaching PE and sport	Progress last year through CPD improved children's perceptions and engagement in dance. The same approach is going to be used to target engagement and teaching of invasion games and CPD for new teaching staff. A specialist teacher has been employed to improve this area. This will initially focus on new staff training.	£8000		Pupil conferencing demonstrates children actively engaged in lessons and enjoying this learning. Teachers share improved confidence and abilities to teach dance, hockey, invasion games and tennis.	Staff survey confidence. Dance – 11% to now 67% (2025) Invasion Games – 22% to 74% (2025) Cricket – 44% to 86% (2026) Gymnastics – 11 Th to 86% (2026)
5. increased participation in competitive sport	Trained sports coach delivering training for two clubs once a week to support the school's progress in engaging a greater number of pupils in competitive sport. Subsidised places for PP pupils.	£500		A greater number of children will be involved in competitive sport both in and out of school. A greater number of younger children will be involved in competitive sporting opportunities. Additional places in clubs to be offered and funded by the school.	School competitive fixture numbers for previous year: 33 Percentage of children offered a competitive fixture in KS2: 86%. Additional clubs for younger pupils (dance/KS1 multi-sports and football)
1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	Workshops for EYFS in <u>Balanceability</u>	£1000		A greater number of pupils will use scooters or bikes to get to school and to travel. A greater number of pupils will be active <u>on a daily basis</u> at school.	Money put aside for purchasing of scooters to come into action in 2026. This is launching in September 2026.

By the time you leave Ropley CE Primary School, we promise that you will have had the opportunity to:

Our Ropley Promise

- Experience a residential trip
- Have the opportunity to take part in a variety of water sports such as kayaking, canoeing and paddleboarding
- Run an enterprise project
- Visit the seaside
- Gain a cycling award
- Hatch and care for animals
- Dance, sing and perform
- Learn a musical instrument
- Take part in sporting events
- Travel on a train, boat/hovercraft and coach
- Visit a variety of places of worship
- Supported the local community

Our Ropley Promise demonstrates our commitment to sport and keeping healthy.
