Car Parking

The roads around school become very congested at the beginning and end of the day. Due to there being no pavements in the village, the following measures have been put in place to ensure the safety of all our school users:

1. The school car park is for staff only. Parents are asked not to park directly outside of the school gates.
2. Parents are asked to park at the village hall and use either the 'virtual pavement' leading up to the school or to walk round via Hale Close from the top car park.
3. Parents of Year 4, 5 and 6 children must give written permission for their child to walk unsupervised to the village hall or home at the end of the day. Responsibility for this decision lies solely with the parent.
4. All children should be closely supervised on the roadway up to the school.
5. There is insufficient space in the staff car park for all staff to park, therefore it is necessary to use the village hall car park as overflow.
6. There is always at least 1 space adjacent to the school in the entrance to Hale Close that is clearly marked for disabled visitors.
7. The main driveway into school is a shared access route for pedestrians and vehicles. All staff are expected to arrive at school prior to 8.30am so that they are not arriving at the same time as pedestrians. If staff are expected to arrive after this time they are encouraged to park at the village hall and walk up to school.

Access to all three external gates needs to be clear for emergency vehicles at all times. The double gates opposite Years 1 and 2 and off the main playground are the preferred routes for emergency vehicles.

Contractors should negotiate with the school as to preferred times of arrival and working hours to ensure safety for the children.

No pedestrian access is permitted via the staff car park. All parents should use the main driveway entrance and wait outside the pedestrian side gate at the beginning and end of the day.

Bicycles and scooters are permitted at school:

1. The school is awaiting new provision for bicycles and scooters in the school grounds, in the form of racks. Children are still permitted to bring bicycles and scooters to school.
2. Children cycling or scooting to and from school should be accompanied by an adult.
3. The school will take no responsibility for bicycles or scooters left at school.
4. Strictly no cycling or scooting on school grounds. Cyclists must dismount at the school gates.
5. Safety helmets must be worn.

SITE TRAVEL PLAN

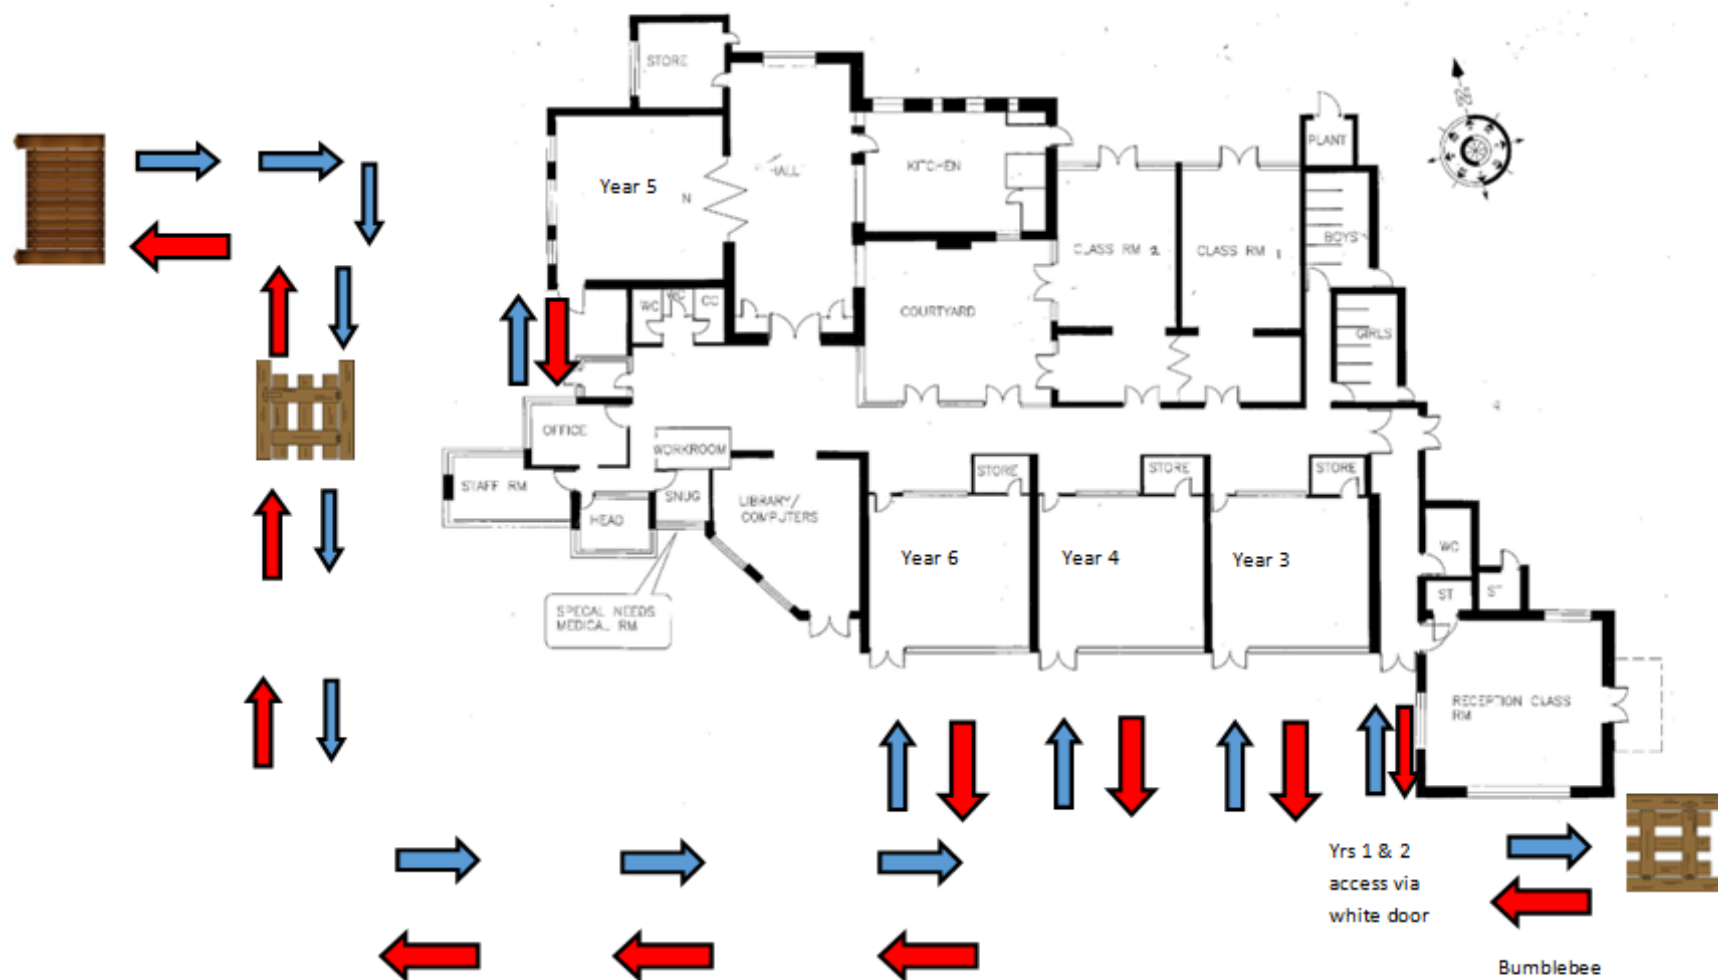

No vehicular access
between 8.30am
and 3.30pm

Church Street—Main Road

Emergency access only from
these gates. No parking out-
side these gates. Gates to
remain locked at all times.

Yrs 1 & 2
access via
white door

Bumblebee
Class enter
and exit via
gate to
Bumblebee
