

# **FIRST AID POLICY**

<b>Version</b>	<b>1</b>
<b>Date of latest version</b>	<b>January 2020</b>
<b>Date to be reviewed</b>	<b>January 2021</b>
<b>Changes:</b>	
<b>New Policy</b>	

## **Policy Statement**

Ropley CofE Primary School will undertake to ensure compliance with the relevant legislation with regard to the provision of first aid for all employees and to ensure best practice by extending the arrangements as far as is reasonably practicable to children and others who may also be affected by our activities.

Responsibility for first aid at Ropley CofE Primary School is held by Sarah Vittle, Headteacher, who is the responsible manager.

All first aid provision is arranged and managed in accordance with the Corporate First Aid Policy.

All staff have a statutory obligation to follow and co-operate with the requirements of this policy.

## **Aims & Objectives**

Our first aid policy requirements will be achieved by:

- Carrying out a First Aid Needs Assessment to determine the first aid provision requirements for our premises
  - It is our policy to ensure that the First Aid Needs Assessment will be reviewed periodically or following any significant changes that may affect first aid provision
  - The Children's Services First Aid Needs Assessment Form will be used to produce the First Aid Needs Assessment for our site
- Ensuring that there are a sufficient number of trained first aid staff on duty and available for the numbers and risks on the premises in accordance with the First Aid Needs Assessment
- Ensuring that there are suitable and sufficient facilities and equipment available to administer first aid in accordance with the First Aid Needs Assessment
- Ensuring the above provisions are clear and shared with all who may require them

## **First Aid Training**

The responsible manager will ensure that appropriate numbers of appointed persons, school first aid trained staff, emergency first aiders, qualified first aiders and paediatric first aid trained staff are nominated, as identified by completion of the First Aid Needs Assessment, and that they are adequately trained to meet their statutory duties.

## **Appointed Persons**

At Ropley CofE Primary School the appointed person is as follows:

Sarah Vittle, Headteacher

## **Emergency First Aiders** *(Those completing the 1-day emergency first aid course)*

At Ropley CofE Primary School there are 6 emergency first aiders who are as follows:

- Mrs Kim Brown
- Mrs Clare Gamble
- Ms Kate Vosmek
- Mrs Alex Hardie
- Mrs Catherine Hebditch
- Mrs Lynn Thompson

They will be responsible for administering first aid, in accordance with their training, to those that become injured or fall ill whilst at work or on the premises. They may also have other duties and responsibilities which are identified and delegated as appropriate (e.g. first aid kit inspections).

## **Paediatric First Aid Trained Staff** *(Those completing the 3-day first aid course)*

At Ropley CofE Primary School there are 4 qualified Paediatric first aiders who are as follows:

- Mrs Maria Burr
- Miss Kayleigh Brown
- Mrs Sue Hill
- Mrs Kairen Watson

These staff are in place to meet the Early Years Foundation Stage (EYFS) statutory obligations for provision of first aid to those children aged 5 years old or younger.

## **First Aid Provision**

Our First Aid Needs Assessment has identified the following first aid kit requirements:

- 2 first aid kits on the premises
  - These first aid kits will be situated at the front reception desk area and hanging at the rear door onto the playground.

It is the responsibility of the emergency/qualified first aiders/appointed persons to check the contents of all first aid kits every 3 months and record findings on the Children's Services First Aid Kit Checklist. Completed checklists are to be stored in the school office.

The contents of first aid kits are listed under the '*required quantity*' column on the checklist itself.

The seating area next to the front reception desk is designated as the first aid area for treatment, sickness and the administering of first aid. The first aid area will have the following facilities:

- First aid kit, telephone, chairs

## **Emergency Arrangements**

Upon being summoned in the event of an accident, the first aider/appointed person is to take charge of the first aid administration/emergency treatment commensurate with their training. Following their assessment of the injured person, they are to administer appropriate first aid and make a balanced judgement as to whether there is a requirement to call an ambulance.

The first aider/appointed person is to always call an ambulance on the following occasions:

- In the event of a serious injury
- In the event of any significant head injury
- In the event of a period of unconsciousness
- Whenever there is the possibility of a fracture or where this is suspected
- Whenever the first aider is unsure of the severity of the injuries
- Whenever the first aider is unsure of the correct treatment

In the event of an accident involving a child, where appropriate, it is our policy to always notify parents of their child's accident if it:

- is considered to be a serious (or more than minor) injury
- requires first aid treatment
- requires attendance at hospital

Our procedure for notifying parents will be to use all telephone numbers available to contact them and leave a message should the parents not be contactable.

In the event that parents can not be contacted and a message has been left, our policy will be to continue to attempt to make contact with the parents every hour. In the interim, we will ensure that the qualified first aider, appointed person or another member of staff remains with the child until the parents can be contacted and arrive (as required).

In the event that the child requires hospital treatment and the parents can not be contacted prior to attendance, the qualified first aider/appointed person/another member of staff will accompany the child to hospital and remain with them until the parents can be contacted and arrive at the hospital.

## **Out of Hours and Trips**

The first-aid arrangements for all school managed and organised after school activities (Extended Day, parents evenings, school fetes, and sports activities) are considered in this policy. On occasions where there may be the need for additional provision the school will carry out a needs assessment for that activity.

Where the school have arrangements to let/hire out buildings to external organisations there need to be arrangements in place to co-ordinate the first-aid arrangements with the hirer. This is managed by Maria Burr, Admin Officer, who will ensure that these arrangements are recorded in the lettings/hire agreement.

The first-aid arrangements for school organised trips/visit are included in the trip risk assessments. These are reviewed for each trip/visit and the level of first-aid provision is reviewed to ensure adequate cover is provided for the trip/visit, and that sufficient cover is retained at the school to cover those who stay at school.

## **Records**

All accidents requiring first aid treatment are to be recorded with (at least) the following information:

- Name of injured person
- Name of the qualified/emergency/school/paediatric first aider or appointed person
- Date of the accident
- Type of accident (e.g. bump on head etc)
- Treatment provided and action taken
- All children are issued with a sticker to highlight to their parent/carer that they have received first aid or bumped their head. A first aid letter is always sent home with the child highlighting the reason first aid was administered. NHS bumped head guidance is also issued to parents.

**Appendix 4**

**CHILDREN'S SERVICES ASSESSMENT FORM**

**First Aid Kit Checklist**

Alter the contents list to suit what you have assessed as required for your premises and first aid needs.

First Aid Kit Checklist				
<b>Location of First Aid Kit/Box</b>
