

HAVE YOU HEARD? (HE HAS RISEN!)

1 Have you heard what happened to the Son of God when He died?
The sun stopped shining and a darkness covered the sky.
They took Him down to a tomb and laid Him inside.

2 On the first day early in the morning, before it was light,
When Mary went there to see Him she got a surprise.
The stone that covered the tomb was rolled to the side!

CHORUS

*See, something very special has been happening!
Sing, glory, Hallelujah, He's alive!
He has risen!*

3 Mary searched all over but the body wasn't in sight.
When angels suddenly appeared in a dazzle of light,
They told her, 'Don't be alarmed!' ('cause she got a fright).

CHORUS

4 Then the angels said, 'Tell us Mary, why do you cry?
The one you're looking for is Jesus, crucified.
You won't find Him in a grave 'cause He is alive!'

CHORUS X 2

5 Then the angels said, 'Tell us Mary, why do you cry?
The one you're looking for is Jesus, crucified.
You won't find Him in a grave 'cause He is alive!'
